JCR 등록하기

The screenshot shows the JCR website homepage. The top navigation bar includes "Journal Citation Reports™", "Journals", "Categories", "Publishers", and "Countries/Regions". On the right side, there are "Sign In" and "Register" buttons. The "Register" button is highlighted with a red box. Below the navigation bar, there is a search bar with the placeholder text "Journal name/abbreviation, ISSN/eISSN, category, publisher, country/region". To the right of the search bar, there is a callout box titled "Email로 JCR 등록" (Register with Email) which contains the following text: "Clarivate의 제품은 하나의 아이디로 로그인이 가능하며, Web of Science, EndNote, InCites의 아이디로 로그인". Below the search bar, there is a section titled "Already have a manuscript?" with a subtext "Find relevant, reputable journals for potential publication of your research using Manuscript matcher." and a "Match my manuscript" button. At the bottom, there is a section titled "See full listings and refine your search by" with four icons representing "Journals", "Categories", "Publishers", and "Countries/Regions".

The image displays two screenshots of the Clarivate Web of Science registration process. The left screenshot shows the registration form with the following fields: "이메일 주소" (Email address), "비밀번호" (Password), "비밀번호 다시 입력" (Re-enter password), "이름" (Name), and "성" (Surname). A CAPTCHA "OGyQO" is visible. The right screenshot shows the confirmation page with the heading "감사합니다" (Thank you) and a "확인" (Confirm) button. Below the button, it says "도움이 필요하신가요? 연락처" (Need help? Contact us) and "IP 주소:" (IP address:). To the right of the confirmation page, there is a section titled "Register to personalize your Web of Science experience" with the following text: "With your institution's access, you can register for an account to unlock more Web of Science features:". Below this text are four icons and their corresponding descriptions: 1. "Save work": Save your searches or create customized marked lists to organize your research. 2. "Connect to more products": Export to your EndNote library with one click and stay signed in across Clarivate products. 3. "Find new content faster": View recommended content in your search results and directly on your personalized homepage. 4. "Stay up to date": Receive alerts for new search results, citing articles, and journal content in your research area.
